

Motor Vehicle Office Seeking New Location

The Department of Motor Vehicles office located in Torrance is in immediate need of new quarters, the chamber board of directors were told Monday afternoon.

Leavitt Tudor, manager of the Torrance branch, said present quarters were sold recently and that, in addition, the department needs larger space.

The directors of the chamber went on record pointing out the use of the Chamber to assist the department in getting new location. Directors also agreed to write letters to the department expressing appreciation for having an office located here. Other organizations in the City will be asked to write similar letters.

This action was taken after Tudor stated that higher officials of the California Motor Vehicles Department felt that Torrance did not want the office located here.

Tudor also stated that the Torrance office does much larger business than any other in the immediate area including Hawthorne and Inglewood branches.

A desirable location would be between the downtown business section and the new civic center location, Tudor said.

Approximately 2400 square feet of floor space will be needed for their new location. Their present building provides only 900 square feet of space.

Lutheran Men Defeat Longren Aeros 58-21

Manager Chuck Schildmeyer netted 18 points to lead the Lutheran Men's club to a 58-21 victory over a scrappy Longren Aeros quintet in the opening game of the Torrance Recreation Department's Young Adult League, played last Tuesday in the Torrance high school's boys' gym.

Gerald Balster, elongated center for the losers, equaled Chuck's 18 markers on eight swishers from the field and a pair of free throws. Burchfield's Rug Works cleaned up Knolls drugstore 52-23 in the second contest.

Forward Sheldon Madison dumped in 15 points to top the winners scoring. Big Bill Betz potted six points, from his center position to top the losers scoring efforts.

Bill Baron picked up 14 points with six field goals and a pair of charity tosses, to pace a favored Roy's Service quintet to a 45-30 win over a hustling Ken-

ny's Shoe Repair five. Fanny Markham was high scorer for the losers, getting 12 points in a pair of field goals and eight free throws without a miss.
